CINCINNATI, Dec. 20.

Three members of the family of John M. Boone, Deerfield, Warren county, Ohio, were murdered in their beds on last Monday night, and two others badly wounded, by some unknown person.

A dispatch to the Commercial from Louisville, Ky., says the raid on Boone's family was a perfect success. Breckinridge, Vaughan, and Duke were whipped, their artillery captured, and their forces scattered.

Saltillo was burned and the works destroyed.

The railroad from Bristol to twenty miles beyond Wytheville was destroyed with all the rolling stock.

Bristol and Wytheville are in ruins. The property destroyed is estimated at \$300,000.

CINCINNATI, Dec. 20.

The Tribune's Washington special says that it was five thousand colored troops who were landed near Fort Fisher. They took up a strong position and held it against a vigorous attack.

They then attacked and carried at the point of the bayonet an earthwork in front of Fort Fisher. The rebels, retreating, returned and retaken the fort, driving out our black troops with heavy loss.

What remained of these were then re-embarked, and the men of war again opened fire on Fort Fisher.

NEW YORK, Dec. 20.

The Herald's Washington special relates the statement of a rebel officer that the rebels were wounded by one of our agents and his staff.

CINCINNATI, Dec. 20.

A package of Quartermaster's vouchers, amounting to the aggregate of upwards of \$300,000, daily approved and issued by Capt. J. C. Grant, a Q. M. at Nashville, was taken from the train en route to the city by the Louisville and Nashville railroad on the 23d.

They are in force of parties in Cincinnati, Buffalo, Chicago, Michigan City, Albany, Boston, Philadelphia, and New York.

Express notices the public not to negotiate or receive them.

ST. LOUIS, Dec. 20.

On the subject of volunteers, Governor Hall's message says:

Up to the first of July last, Missouri furnished 10,000 men more than any other State, and in the district which was behind, our decision is believed to arise from our own weakness. The total number of men furnished up to the first of July last, in addition to which we have had 60,000 militia organized and in field when required.
